

Invocation of Love

Father of us all, guide Thou our steps as we become ever closer to Thy grace, as we become one with Thy presence within. Take from us the sorrows and travails of this world, and cleanse our hearts and minds with the pure light of Christ, the same Christ light that dwelt in Jesus of Nazareth. Fill our souls, our higher selves, with Thy loving presence that we may ever know Thy deep Peace and walk the path of Light. Show us Thou the way home, lead us by Thy Light and Thy love, which endureth forever and forever more. Father within me and Lord of the Heavens, take Thou my hand and lead me to Thy New Jerusalem. Amen! Amen! Amen!
